It's never too early for Christmas!

53

Days til

Christmas

Christmas is ~~crumbling~~ coming!

This symbol represents HOPE.
 It represents HELP.
 It represents a sense of COMMUNITY.
 This symbol represents the Lions Club.

DG Neil Stuart

The highlight during October was the Convention held on the weekend of 8/9 at Numurkah. This was a very successful Convention – great presentations from our guest speakers (Matt Dowling, Lion Sue Eyton, MD GMT PDG Ann Eldridge and Sue Dight), CC PDG Steve, DG Michael Ryan, excellent catering (Numurkah Lions Ladies, Strathmerton Lions and Nathalia Lions), a fantastic Saturday night at the Shamrock Hotel where we greatly entertained by Brendan Scott, and a very moving memorial service on the Sunday. Thank you to all involved particularly to the organising committee chaired by Lion Keith Nicoll. The committee consisted of members from Numurkah, Nathalia, and HOPE. One of our key objectives was for everyone to enjoy the fun and fellowship of our Convention – we clearly achieved that goal! Thank you to all those who attended and supported our Convention.

The lowlight, about a week following the Convention, was the devastating floods that impacted much of our district in particular Rochester and Murchison. The impact is still being felt and will be for many more months to come. Lions members in those areas have been helping where they can in their supporting others in their communities. There will be an ongoing need and our District Disaster Recovery Team chaired by Lion Paul Shortis has been in contact with our clubs in these areas. Funding is available through our District Disaster Fund, and we have also been successful in receiving a grant from LCIF.

My only club visit during October was to Rochester on October 5th. Prior to the meeting I was shown through the fantastic Sports Museum and during the meeting presented several 100% attendance chevrons. ZC Ian Whatley and I enjoyed a great night with the Rochester members.

I have appointed and welcome Lion Peter May from the Lions Club of Corowa to our V6 Cabinet as Global Extension Team Member. Peter's key role will be to assist GMT & 2nd VDG Geoff Turnbull. New clubs, specialty clubs and club branches are the keys to growth.

Also, I have very recently appointed Lions Neil Ware from the Lions Club of Wangaratta and Mark Nordbye from the Lions Club of Numurkah to the Licola Board. Neil will serve from now until 30 June 2024 and Mark from now until June 30, 2025.

45TH DISTRICT CONVENTION

Hosted by the Lions Club of Numurkah

45TH DISTRICT CONVENTION

Hosted by the Lions Club of Numurkah

“Lay it on the Line for Childhood Cancer”

Coin Line is currently at \$135 013.21 covering a distance of 52.7 km.

We still have 27.3 km to go to SMASH the record. We have had a great start to the financial year so please continue what you have been doing because it is working!!

We will soon have the poster below available on the ALCCRF Website - Coin line resources. The QR code is linked directly to the ALCCRF My Cause page and will allow Clubs to use as a post on their community Facebook pages, print and use as a poster or have at a fundraiser if they do not have a tyro or square so people can use their cards to be a part of the longest coin line – to buy a metre of coins.

WHAT CAN YOU DO?

Lions Clubs:

- Contact your local schools and encourage them to form their own coin line
- Keep in touch, collect money raised and send it to ALCCRF (include “Coin Lion, Club ID”)
- Make a donation!!

Schools:

- Hold a coin line, take photos and post them on your Facebook page
- Give the collected money to your local Lions Club who will pass it onto ALCCRF.

Business

- Use your imagination to have a fun day or just collect money and send it to ALCCRF.

Every cent donated goes to ALCCRF.

Don't miss out on this years Lions Cakes Pin!!

Pins can be obtained at a cost of \$6.00 each from the Christmas Pins Coordinator PDG Aussie Lanphier.

Email: ausandtoni@bigpond.com

Mobile: 0402 188 852

2nd VICE DISTRICT GOVERNOR UPDATE

The month of October began with a District Cabinet Meeting on October 2, held via Zoom. Then there was a hugely successful District Convention held at Numurkah on October 7-9. If you missed this event then you missed a truly fun weekend, with the Saturday night dinner being an absolute highlight. Congratulations to all who organised it – with special mention of Val Granger who sadly passed away a week later – and to all those who attended, please let everyone know how enjoyable it was so that even more attend next time!

At this event I had the honour of being elected as First Vice District Governor for next year. I thank everyone for your support, and I look forward to working with District Governor Elect John Houghton next year.

On October 19 I took part in an online mentoring session for future District Governors, which is always useful. Then on October 21-23 I represented our district by attending the V3 District Convention in Lakes Entrance. This was another very enjoyable convention, and I took the opportunity to build closer ties between our two districts.

The weather and flooding have resulted in the postponement of a few club visits in the second part of October – most of these will be rescheduled to early next year.

Stay safe, and keep up all the good work.

Geoff Turnbull
First Vice District Governor Elect

MEMBERSHIP UPDATE (NOVEMBER)

This month it has been fabulous to see the number of clubs that have inducted new members! It is great to see our district growing again, with clubs recognising the need for us all to grow, and finding that people are actually keen to join, if we only ask them!

Does your club have an idea that you would like to share with other clubs? Something that you have found is a successful way to gain members? Please email them in to either gmt.v6@lions.org.au or v6roar@gmail.com and we will make sure that they are shared.

Also this month, many parts of our district have been affected by flooding, and our clubs have certainly rallied to the cause. The example we set helps to lift the profile of Lions, and in such circumstances, it is common for members of the public to ask how they can help, and often to also ask if they can join. Keep doing your best and setting the example, and be ready to welcome others that want to join in.

Keep in mind that the district membership trailer is available to support any public function that you might have. It can be booked at <https://calendly.com/v6trailer>.

Finally, I would like to welcome Peter May from the Lions Club of Corowa who has joined the Cabinet to assist with Membership and Extension. I look forward to working together.

Geoff Turnbull
Global Membership Team Coordinator

CELEBRATING 75 YEARS OF LIONS IN AUSTRALIA

As we all know Lions celebrated seventy-five years in Australia, in September this year.

Everyone is invited to celebrate this milestone at a Bring your Own Picnic on Sunday November 20 on the foreshore of the lake at Yarrowonga. This is a great opportunity to get together and enjoy each other's company in a fun relaxed atmosphere. Bring your picnic lunch, your chair/rug, your fellow club members and your friends and family. Leo members will be running games for the children. A coffee van and ice cream van will on site for a tasty treat.

Look for the kiosk, it will be closed but we will be set up near there. Enquiries to PDG Carol Kennedy 0417 868 498.

COBRAM COME THROUGH WITH SHOWERS

It's Finally Happened. The Cobram Community Shower Program officially opened the doors at 11 am Friday 28th

October The Cobram Lions club and the Cobram Community House have been working together to open up a Community Shower Program for the most vulnerable of the Community, who also now, with the current flooding, have no where to go.

The shower program opened its doors at 11am on Friday making a hot shower a reality for those who need the service. Showers will be available at Killara House. With the current flooding impacted flood victims can also use this facility.

Last Thursday some of the members of the Cobram Lions Club rolled up their sleeves and ensured everything was ready and in place for Friday's opening. The shower program will be opened up 2 mornings a week. It will be reliant on volunteers to run the program. It will be available to use on Wednesday and Friday at this point. The Cobram Lions have appreciated all the help from the community to have this program become a reality.

HENTY LIONS HAPPENINGS

The Henty Lions Club have had a very busy October. We began the month with our annual Henty Town Garage Sale. After a two year hiatus the town was eager to support the venture and clean up their cupboards and sheds. The week preceding the big day was wet and stormy, but the designated Saturday dawn bright and sunny. There were forty plus sites booked throughout the town and all reported brisk trade making the day worthwhile for all.

The club followed this up with successful Bunnings BBQ in Wagga. We combined with the Henty Lifestyle Centre to man the BBQ and both organisations benefitted from the fund raising venture. Some of the funds raised from these ventures have been donated to V6 Foundation to assist with flood relief efforts in our district.

At our last meeting we hosted a guest speaker, Peter Campbell, from the Board of the Henty Respite Trust who was able to update us on the progress of Avondale Place a four-bedroom respite home being developed in Henty. The club has made donations to this local project.

ELMORE LIONS LEND A HAND

On Friday 14th Oct. the Elmore Lions Club helped to feed CFA, Emergency Services & volunteers that were involved in Elmore. We took the Lions BBQ trailer to the Sand & Soil place & provided sausages, chicken schnitzels, bacon, eggs, bread, sauce, water, muesli bars & fruit, this continued from about 11am to 2;30pm. Later that night we cooked a sit down meal for CFA volunteers of chicken schnitzels, corn, peas, carrot, bread & mashed potato. Then some cheesecake & fruit for

approx. 14 people.

BEECHWORTH BOOMERANG BAGS

With some funding from Beechworth Lions Club, and Beechworth Boomerang Bags Beechworth, Wangaratta, Kiewa/Tangambalanga, and Albury/Wodonga Boomerang Bags have decided to do another Toiletry Bag project to help our Victorian flooded towns. They have decided to start with Rochester (pop 3000) whose residents are similar number to Beechworth, and have set the number at 250 bags. This follows on from these Toiletry Bags with products given to Corryong Lions Club after the 2020 bush fires, and 500 bags taken to Lismore Lifeline Relief Centre in May this year by Lions Iris and Sven. These were all produced by these Boomerang Bag groups. Lions Iris is also Secretary of Beechworth Boomerang Bags and developed this project during the 2020 Bush Fires with the help of a lot of dedicated volunteers.

Also with funding given to Beechworth Lions Club from the 201V6 District Disaster Fund these Boomerang Bag groups are able to continue with a further 500 Toiletry Bags, to be passed onto Lion Paul Shortis, the V6 District Disaster Recovery Team chairperson.

For those that do not know the role of Boomerang Bag groups, its formation came from an idea, thought up by two Queensland ladies to lessen the use of plastic bags and material taken to landfill. They are now groups in 15 countries in the world, Beechworth Boomerang Bags was formed in March 2017. Beechworth Lions Club has been a strong supporter of this group ever since they started. And this fire recovery project is one of the many projects they have assisted. Another great way of Lions working in the community in partnership.

Lions at Corryong in 2020

The 500 bags and spare toiletry product delivery to Lismore on 15th May 2022

Just a side note: Tangambalanga Boomerang Bags workshops are held in the Kiewa/ Tangambalanga Lion's Den. Another way Lions working with the community.

Well, after several bumps in the road the Beechworth Lions project The Gang Plate Layers Cottage is on the move again. The scaffolding to replace the roof is going up, starting back to front so the internals can recommence, these were stopped due to the leaking roof.

The solar panels can then be installed, electrics finished, lining the walls, install the new kitchen, finish the toilet area, and then the internal painting.

Thank you Geoff Jackson Contracting, who is going to do the preparation for the landscaping.

The story of the dramas of this project I think will go down in history for the Beechworth Lions Club. Who would have thought that from an idea in July 2019 to save this building we would be still battling with this project. But as they say "Life was not meant to be easy", fingers crossed no more delays.

COHUNA CELEBRATES

Cohuna Lions Club has joined Lions Australia in celebrating 75 years' service to the community and also 60 years' service to their own community by installing a memorial garden. The garden also commemorates deceased members of Cohuna Lions Club.

The chosen site was a piece of waste land at the end of a local park. The land for the park had been donated to the community many years ago by a local stock agent, C.L.King, and is named in his honour.

This project required much planning and work for the Lions members; a grant was applied for, extensive

consultation with the Gannawarra Shire, advice and planning sought from a local nursery, assistance from local tradespeople and suppliers.

The plan was drawn up and plants purchased from the nursery and the plot was cleared of grass and weeds by the Lions members.

Wet weather caused continual interruptions and prolonged the project, but the Lions members pressed on, meeting twice a week in addition to their other weekly commitments at their wood-yard and delivering wood to the local residents

After many weeks of work and frustration with the weather the park started to take shape and the Lions could start to see the results of their hard work in transforming the area. Installation of edging, compost, gravel paths, low care and hardy plants and a watering system completed.

Finally, it was ready to be officially opened on the designated date, September 29th 2022. Invitations were extended to neighbouring Lions clubs, Lions Ladies, Gannawarra Shire Councillors and members of the community. P.D.G Norm Walkington, Zone Chairman Jeanette Cowan and project co-ordinator

Rob Shanahan spoke and the garden was opened by Cr. Garner Smith. Mrs. Beth Wood, whose husband Charlie was a dedicated Lion and the grandson of C.L.King, reminisced of the enjoyment Lions had given them over the years and also in seeing the park development.

Invitations were extended to neighbouring Lions clubs, Lions Ladies, Gannawarra Shire Councillors and members of the community.

Sand bagging with 150 other volunteers.

BENALLA AWARDS & ANTIQUES

At the Clubs Dinner Meeting on the 6th October President Denise Brown presented fellow member Lion Loch Lidgerwood with the Chris August Award.

Loch spends countless hours at the Lions Den spraying the grass to make sure the yard is in good order, he also organises our wood raffles and makes sure there is enough wood split during the year, he takes the rubbish bins to the Benalla Craft and Farmers Market each month, and also empties them, which saves our Clubs a lot of money. He also helps another fellow Lions Club Member when he needs help with his garden.

The photo shows President Denise Brown presenting Lion Loch Lidgerwood with his Chris August Award.

The Benalla Lions Club held their Antique and Collectable Fair on Saturday 8th and Sunday 9th October 2022, after 2 years of cancellations. It was extremely lucky to hold it that weekend as the following Friday/Saturday the venue was completely surrounded with flood waters.

The weekend commenced with the marking out of the sites on Thursday night so that the hall is ready for when the Dealers arrive on Friday 7th at 8.00am to commence setting up their sites. When they have finished setting up their sites on Friday night, they are given a casserole tea after their busy day, this is very much appreciated by them.

On Saturday morning when the doors opened at 10.00am, there was quite a long line of visitors. It was the best first day for the Fair so far, which was very encouraging, Sunday as usual was a little slower but there were still 691 visitors to the Fair for the weekend.

It is a big weekend for the Club with Members preparing the food which was on sale from the canteen, manning the door, helping the Dealers bring their wares into the hall and also help them reload their vans when the Fair is closed on Sunday. Peter was again one of the security men, with the help of new member Dan. All Dealers left happy and said that they would return again next year.

At the 20th October Dinner Meeting the Benalla Lions Club had the pleasure of Steph Ryan MP as our guest where she gave a very informative talk on the current flood crisis in the electorate. During the evening President Denise Brown presented Steph with a Melvin Jones Award, she was overwhelmed with receiving this award and couldn't wait to tell her colleagues at State Parliament Victoria Lions Club.

Steph has supported our Club in many ways over the last few years as well as attending the Club's Changeover and Anniversary nights and also being a judge at the Junior Public Speaking Club Finals.

The photo shows President Denise Brown presenting Steph with the Melvin Jones Award.

LAKE MULWALA LIONS HELP AT LOCAL SHOW

Yarrowonga Mulwala Show returned after a three year COVID break on Saturday 1st October. The Lions Club of Lake Mulwala was pleased to be able to assist by serving homemade Devonshire teas, sandwiches, slices,

hot and cold drinks. Many compliments were received by the large number of customers who enjoyed the sit-down catering during their visit to the Show.

The Club also sponsored the traditional Group Exhibit in the Craft Pavilion, where Clubs from the community put together their own display of handicrafts and baked goods. The Lions Club of Lake Mulwala's exhibit is

pictured below. A very successful day with everyone working together for our community.

TOCUMWAL LIONS OUT & ABOUT IN THEIR COMMUNITY

Tocumwal Lions Club donated a defibrillator to the staff at Tocumwal Lions Community Hostel. Hostel manager Jeff Hay thanked the Lions Club saying the staff greatly appreciated having a defibrillator on hand for their own use.

Caption: Lions Carol and Keith Kennedy, Hostel manager Jeff Hay, staff member Shanae Dolheguy and Lions president Glennis Pohlner.

Tocumwal Club members recently attended a Community EXPO organised by the Tocumwal War Memorial Hall committee. This event gave groups and organisations the opportunity to promote themselves to new and existing residents in the hope of gaining new members.

Lions Carol and Keith Kennedy handed out leaflets and Christmas cake to attendees.

TUNGAMAH LIONS HAPPENINGS

Early October, we held our High Tea at long last. It was a wonderful day, well organized by Caz and her crew of Lions and volunteers. Lions Heather and Helen did a terrific job, and everyone enjoyed it. Our deepest thanks to the Bowls Club for the use of the premises and the wonderful hospitality. We raised

\$450 for the Hilltop Emergency Accommodation in Albury, something which has been well used by locals.

A social night at the clubrooms saw Neil and Trish Lonie presented with a lovely cake to celebrate their 37th wedding anniversary. Congratulations.

On Monday evening, 31st October the club is hosting a Halloween night for the local kids, and this should be a ripper. We will be giving the snow cone machine its very first outing.

Several members attended the Convention which was a very happy occasion. Saturday evening was fantastic, with Brendan Scott entertaining us all. Another highlight was the Remembrance Ceremony, attended by family members of Gary Stacy and Con Cooper.

We were all stunned by the death of Numurkah Lion, Val Grainger just a couple of days following the Convention. Val was the force behind the Convention and was responsible for the wonderful Saturday night entertainment as well as the Remembrance Ceremony.

We were fortunate to have PDG Barry and Barb Higgins as our guests at the one of our meetings. Barry spoke on running conventions and also the Skin Cancer Van which will be on display at the Convention. Both were great speakers and we had a "light" or "not so light" supper.

Coming up, we have the Walk for Diabetes, otherwise know as Lap the Map. This will be held on the fifth Wednesday of October. We are also hoping to have our golf evening with a difference after Christmas.

Members helped cook for the workers at the floods, which was really fantastic. We have just donated \$1000 to the Disaster Appeal for our district. Most of this came from a "bumper" Bunnings just before the floods hit. Well done to our club.

The dinner meeting at the pub in October provided a huge surprise for the Secretary Robyn when Tristan, Belinda, and the two grand kids turned up just at the start of the meeting. Les knew, but was asked to keep their arrival from the states secret, considering we were not long home from visiting them in Ohio. Such is the nature of Lions, the four extras were welcomed into the meeting and a very happy night was had by all.

We are helping a young mum who has lost most of her possessions in the floods. It is always great to be able to help. I often wonder what our towns would be like if we didn't have a Lions Club.

Australia Day Awards are coming up, so please keep in mind who you wish to nominate. There are many people worthy of nomination. Importantly, keep an eye on social media and the post offices. Inquiries to Les Harrison on 0417301797.

Plenty is happening, so keep your ears open for what we are doing.

ROARER

TUNGAMAH LEOS

At the moment, we are down a fair bit on numbers. We are planning a recruitment and information evening to boost our numbers and continue the great work the club has done over so many years.

We did present Lion Alison with a large bag of spectacles at the Convention, this being an ongoing project. It certainly helps those in many of the poorer countries in the world.

The fountain in the creek is progressing slowly, with the Shire making changes to its grants process. We have done all the ground works with the different groups, so it is getting very frustrating.

We do have members very keen on taking part in Leo of the Year. This is encouraging and a big part of the Lions family.

We are still planning a carp muster if it ever stops raining. This has always been a popular event around the town.

That's about it for the month.

Cheers
LITTLE ROARER

YARRAWONGA LIONS

Firstly, we would like to send out our thoughts to all members and their families who have been impacted by the current weather and flooding. Congratulations and thankyou to all clubs and members that have assisted in the relief effort. Here in Yarrawonga, we have been extremely fortunate to have missed the flooding, so far.

Annual Wool Show - Early in October we held our annual wool show in conjunction with the Yarrawonga/Mulwala Agricultural Show. It was nice to have it back in our wool pavilion after an absence

of 2 years. It was a hectic day displaying what Lions do as an organisation and as a club. Once again, our local farmers supported us donating fleeces for judging. Many thanks to all involved making this event a tremendous success. Proceeds of the sale of fleeces will be donated to Yarrowonga Mulwala Historical Society for the digitising of the Yarrowonga Mercury newspaper therefore ensuring our local history is preserved. A huge thankyou our sponsors Elders and Bunnings for their continued support.

As well as our wool show Lions provided catering, displays, utilizing the Lions District membership trailer and had children's activities which were run by Jo and Tim from Bunnings, this proved very popular, and we have booked them again for next show day. Bunnings do an amazing job in our community, and we work well together.

Convention - Congratulations to Numurkah for hosting this years convention. It was a very social event and the Saturday evening dinner and entertainment was outstanding. Our deepest sympathies are extended for the loss of a keen Conventioneer and amazing Lion Val Granger, she will be sadly missed.

Australian Lions Foundation Disaster Relief Appeal - On 12th December 2019 Lions were approached by Haymes Paint to see if we were interested in supporting them with a series of Product Launches and Grand Openings at their Paint Stores in most States throughout Australia. Support at each store is a Barbecue supplied and cooked by Lions, with Haymes also making a \$500 "Charitable Donation" per event. Lions won this opportunity from Rotary as we responded very quickly with an affirmative to their request.

Yarrowonga Lions participated in this MD Service Project providing a BBQ at Haymes Paint Store in Yarrowonga. In return for us providing a breakfast BBQ Haymes donated \$500 to Australian Lions Foundation Disaster Relief Appeal.

UPDATE 3

NEWSFLASH October 2022

National Disaster Appeal- Floods Queensland, New South Wales, Victoria, Tasmania

Dear Lions and Leos,

As we are all aware, flooding impacts have now increased to cover many parts of Victoria, including metropolitan Melbourne, Tasmania and extended areas of New South Wales. With the agreement of Council Chairperson Steve Boyce, the Australian Lions Foundation is expanding its existing Flood Appeal to include all of these newly affected areas.

Feedback coming from all States indicates that many individuals and communities have been impacted severely and there will be a need for our support once areas of concern are identified. As Lions we are always there to support and will be prepared to do so when we are called upon. The Australian Lions Foundation will be there to support through our network of Lions Clubs on the ground. "Where there is a need there is a Lion".

ROAR NOTICE BOARD

Significant flood waters can remain for days and stagnant water is where mosquitoes can breed. Mosquitoes can carry diseases that may pass on to people through mosquito bites.

- ☑ To help to control mosquitoes around your home, follow these tips:
- ☑ Remove stagnant water from around the home so mosquitoes can't breed.
- ☑ Check and seal rainwater tanks.
- ☑ Empty flowerpot dishes, tyres, buckets and children's toys that hold water.
- ☑ Mosquitoes can bite through tight clothing. Wear long, loose-fitting clothing.
- ☑ Use repellents that contain picaridin or DEET on all exposed skin.
- ☑ Keep mosquitoes out of your house or accommodation by using mosquito netting or insect screens.

Find more ways to beat the bite at:

www.betterhealth.vic.gov.au/campaigns/beat-the-bite

This World Diabetes Day, Monday 14 November 2022, we are calling for Australians to 'Lap the Map' for diabetes prevention. Can you help us walk a combined distance surpassing the circumference of Australia?

Lions Clubs across the country will be hosting family friendly walks and community events to promote a healthy lifestyle and raise awareness of the Diabetes epidemic in Australia.

It doesn't matter how far you walk or run, it's about being involved, getting active and moving together.

All funds raised will go towards diabetes awareness, prevention and research.

The Warm up –

Stay tuned for new resources and information you can use to plan your Lap the Map event!

[Click here](#) to access social media graphics, posters, media release and a Lap the Map manual.

You can join the conversation on the [Lions Lap the Map Facebook page!](#)

Make those steps count –

Register your walk on our simple [2 minute survey](#) right away! Just scan the QR Code to the right.

This will help Lions Australia promote this great, healthy Lions activity to the media and beyond....

See above for various resources and information you can use when planning your Lap the Map event.

PROMOTING CLUBS THROUGH THE DISTRICT NEWSLETTER

- Do you have an UPCOMING EVENT? Have you had an event you'd like to tell us about?
- Best place to promote it is through the Roar!
- Cut off date is the 28th of each month (items arriving after that date may not make it in but will be held over till the next one.)
- Please send articles in a Word file (not a PDF)

EMAIL - v6roar@gmail.com
